Finalize Your Fall Registration

NESD Staff are excited to see so many of our students returning to take more classes this fall - in fact, enrollment in some classes has already reached capacity! If you have not yet enrolled in your fall classes please be sure to do so as soon as possible to reserve your spot in the studio! We encourage students to take both ballet as well as additional disciplines to become strong, well-rounded dancers. If you're not sure which styles to try we are happy to make a recommendation based on the student's age, interests and previous experience!

Prior to selecting classes, please consult the class recommendations we sent each student last month to ensure your child is placed in the correct level; as dance educators, it is important to us that each child is placed in the appropriate level for him/her to allow them to flourish and have fun at the same time! As always, if you experience any difficulty with your Studio Director account, email nesdoffice@gmail.com and we'll be happy to complete the registration for you.

Monthly Tuition Moved to 13th

< New for 2021-2022!

In an effort to remain consistent with our later class start date this season, monthly Tuition will now be due by the **13th of each month (previously the 1st)**. With some families still working out schedules to complete their registration for fall classes, we decided to simplify the due date for everyone by moving it to the first day of classes, September 13th. We will continue charging those on autopay on the 13th of each month through May 13th, 2022. There are 9 tuition payments per year, September-May. 2021-2022 classes will conclude on June 11th, 2022 but tuition will not be due in June to make up for the first two weeks in September while we were not in the studio. Those inter/advanced students in our ALINEA Performing Company will be charged one final Performing Company tuition payment on June 13th.

NEW OFFICE HOURS
